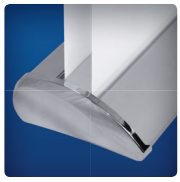
ROLL UP PLUS Double-Sided 31”

Technical Specifications | R2.091515



PRODUCT USAGE

This product is recommended for use indoors or temporarily outdoors.

DESCRIPTION

- Same as our popular Roll Up Plus 31” but with a second print for more exposure
- Constructed of an aluminum base and finished with chrome end caps for a sleek and professional look
- 2-part pole that is adjustable from 5’ to 7’ tall and leveling feet to maintain stability
- Cost-effective high quality banner stand that uses a “rolling” feature to store the print inside the base for transport in the included carrying case
- Banners are attached to hardware with adhesive strip at bottom and clamping rail at the top
- Perfect display for frequently changing environments
- Your client can use it indoors to promote a fundraiser event and its sponsors
