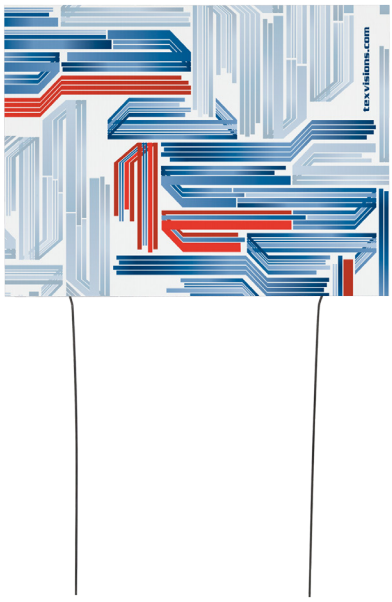
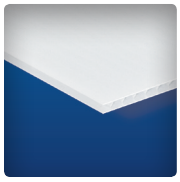
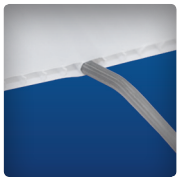
YARD SIGNS

Technical Specifications | R1.080318







DESCRIPTION

These aren't your average Yard Signs. These are vibrant marketing products with Full-Color UV Printing on high-quality, durable Corrugated Plastic. Tex Visions' Custom Yard Signs can be cut into any shape your client wants. We offer traditional portrait and landscape configurations, as well as stock die cut and custom die cut shapes. Your client also has the option of 2-sided printing. Pair your clients' Custom Yard Signs with the optional Sign Stake Premium to ensure their signs are always standing. Yard Signs are perfect for political campaigns, real estate advertising, retail promotions and much more.
