<b>Flagpole Construction</b>	Top: Fiberglass poles Bottom: Aluminum poles	Aviation-grade fiberglass poles
<b>Assembly</b>	Constructed using fitted poles that secure into position, unlike telescopic poles which can result in internal pole collapse.	
<b>Printed Pole Sleeve</b>	By printing on the pole sleeve, your clients gain valuable advertising space and visual appeal that would be lost if using black "poly-stretch" header tape.	
<b>Quality and Value</b>	Excellent quality for a reasonable price. Best suited for indoor advertising and outdoor advertising in lower wind speed conditions.	Best durability. Use for indoor advertising and outdoor advertising in higher wind speed conditions.
