

Getting Started With UPS My Choice

What is UPS My Choice?

UPS My Choice is UPS's home delivery service, designed to give you a little bit more flexibility and control when it comes to scheduling and planning upcoming deliveries. The service is offered in two different tiers: a "Member" tier that is free and a "Premium Member" tier that costs \$40/year.

Signing Up For UPS My Choice

Signing up for UPS My Choice is pretty easy. Refer to the steps below and the included screenshots for a detailed walkthrough of the process.

Step One: Navigate to the UPS My Choice Website

Go to www.ups.com/mychoice/welcome to access the main UPS My Choice website. From here, you have two choices: you can simply click "Continue" to set up a "Member" UPS My Choice account, or click "Features" in the upper right corner of the screen (next to the big yellow button) to be directed to the button that allows you to sign up for a premium account.

The screenshot displays the UPS My Choice website interface. At the top, the UPS My Choice logo is on the left, and navigation links for "WELCOME", "HOW IT FITS YOUR LIFE", and "FEATURES" are in the center. A large yellow "Continue" button is on the right. Below the navigation bar, the main heading reads "GET HOME DELIVERY ON YOUR SCHEDULE" in orange, followed by the subtext "Sign up for UPS My ChoiceSM – it's **free** and easy." in black. The central content area features a three-step process flow: 1. "Sign Up & Set Your Preferences" with a laptop icon and a house icon on the screen; 2. "Relax & Wait for Delivery Alerts" with a smartphone icon and a house icon on the screen; 3. "Manage Deliveries & Get Packages" with a cardboard box icon and a house icon on the side. Each step includes a brief description of the action. Below the steps is a large yellow "Continue" button with a play icon. At the bottom, there is a link "Already a member? Log in now" with a right-pointing arrow. In the bottom right corner, there is a "Share" link followed by social media icons for Twitter, Facebook, and Email.

Step Two: Click "Continue"

Click the yellow "Continue" button in the center of the screen. This will direct you to the UPS My Choice login page.

Step Four: Verify Your Email and Log In

Once you've created a UPS My Choice account, go to your email. There, you should have a message from UPS in your inbox telling you to verify your account. If the message isn't in your inbox, it may be in your spam folder.

Step Five: Sign Up For UPS My Choice®

Once you verify your email and log in, you'll be greeted by the UPS home page, which looks like the screenshot below. Navigate to the "Search" bar in the upper right corner of the page and type in "UPS My Choice".

When the search results load, click the second link, labeled "UPS My Choice® | UPS Services".
